Dear Georgia School Nutrition Association Members,

Welcome back! I hope this message finds you well-rested and excited for the journey ahead as we embark on a new school year together.

As your President, I am honored and thrilled to stand alongside each of you as we continue our mission of serving our students, schools, and communities across Georgia. This year, more than ever, the theme of **"We Are All in This Together"** resonates deeply within our association and beyond.

Together, we play an indispensable role in ensuring that every child has access to nutritious meals, empowering them to thrive both academically and personally. Our collective efforts, dedication, and unwavering commitment to excellence are what make our school nutrition programs truly exceptional.

As we navigate the opportunities and challenges of the new school year, let us lean on each other for support, inspiration, and camaraderie. Together, we have the power to innovate, adapt, and overcome any obstacles that come our way. Remember, **"we are all in this together"** and together with our administrators, teachers, support staff and industry partners we can successfully graduate each of our students.

Let us approach each day with a spirit of unity, compassion, and resilience. By working together, sharing ideas, and supporting one another, we can create positive change and make a lasting impact in the lives of Georgia's children.

Thank you for your tireless dedication, passion, and commitment to excellence. I am immensely proud to serve as your President, and I am confident that together, we will make this school year one of our greatest yet.

I want you all to know that I am always open to any ideas and thoughts that you may have to help our association grow, get stronger and thrive. Please contact me with any suggestions you may have. You all are the reason that Georgia is one of the nation's leaders in School Nutrition and **"we are all in this together."**

Wishing you all a successful and rewarding start to the new school year!

Kimberly Kiker, President, Georgia School Nutrition Association
