Goals

- Support the GSNA President and the President's plan
- Provide assistance to the President, as needed
- Promote and support the mission and vision of GSNA
- Contribute ideas for promoting and enhancing GSNA in alignment with the organization's mission and vision, while supporting its ongoing growth.
- Establish partnerships with industry stakeholders (including GA farmers), local Boards of Education, and other state agencies to enhance and broaden our services and visibility.
- Reflecting on the past year, one of my primary goals is to continue building on themes like "Setting the Table for Success", "Being Equipped to Serve.", and "Being Mission Minded, Vision Focused."

Personal Statement

Never would I have imagined our small community (not located anywhere near the coast) would experience a Category 3 hurricane like we experience with Hurricane Helene. After seeing the devastation and having many employees lose homes and cars, I quickly realized that first I must provide support to our employees and then regroup for feeding our students.

It has been such an emotional roller coaster for all of us but the support from our GSNA School Nutrition family across the state has been so amazing and it would be my honor to represent this incredible group who comes together even at the roughest times to support SNP employees across the state.
