Please list equipment in the booth that will need power and send picture of plug in:

_____

* Extension cords are NOT supplied with electrical connections. The house electrician will supply the number of outlets indicated on this order form to your booth/location. Please bring an adaptor that will attach to your equipment that will allow for electrician to connect power. Vendors that need water will need to bring a 3/4 water adapter that will connect to a male spigot and a hose.

*Wall outlets and column outlets are not a part of booth space.
A separate outlet must be ordered for each piece of equipment to be connected

*THE USE OF 2 AND 3 PLUG ATTACHMENTS IS PROHIBITED. All materials provided to connect power hookups remains the property of the Marriott Macon City Center. Any materials removed from premises will be charged.

*Rates quoted for electrical connections covers only the bringing of service to the booth/loaction in the most convenient manner and the connection to the equipment providing equipment has proper conforming plugs or caps.

Once electrical forms are received a credit card link from Sertifi will be sent to each vendor
